

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA

FRANK FAHY,

Plaintiff,

v.

ORPHEOS TARBOX,

Defendants.

No. C-09-01420 MMC (DMR)

**ORDER DENYING PLAINTIFF'S  
REQUEST FOR SANCTIONS**

The Court is in receipt of Plaintiff Frank Fahy's April 23, 2011 letter. *See* Docket No. 187. The letter appears to be a reply to April 19, 2011 letter from Defendant City and County of San Francisco's counsel Marc Lewis, in which Mr. Lewis went beyond the Court's instruction that he update the Court as to the status of Plaintiff's deposition by renewing Defendant's request for sanctions against Plaintiff. *See* Docket No. 175. In his April 23, 2011 letter, Plaintiff responds to Mr. Lewis' renewal of the request for sanctions and also requests sanctions against Mr. Lewis. The Court has already denied Defendant City's renewed request for sanctions. *See* Docket No. 184. The Court now denies Plaintiff's request for sanctions.

IT IS SO ORDERED.

Dated: April 28, 2011
